Verification date: 12 September 2017

**ON BEHALF OF  
LLOYD'S REGISTER ROTTERDAM**

  
Lloyd's Register  
LRQA

A PERS certificate is the confirmation that the PERS requirements have been evaluated and met. However, because the review is based on third hand information, a PERS certificate is not a value judgement of the port environmental management system and its performance, since these have only been evaluated on the basis of documents supplied by the port.
